MEMORANDUM FOR THE RECORD

SUBJECT: DDS Briefing on R&D Coordination

25X1A
25X1A
25X1A

1. A broad outline of proposed procedures for coordinating Agency R&D programs was described to [redacted] 25X1A
[redacted] of the Support Directorate. [redacted] 25X1A
[redacted] of O/PPB also attended the briefing. Only [redacted]
[redacted] seemed to have any hesitancy about the proposed procedure, and his reluctance is primarily a "wait and see" attitude. I had the impression that [redacted] particularly 25X1A
appreciated the objectives which we hope to achieve and would be a willing and active participant in providing preplanning guidance to the various technical groups.

2. At the conclusion of the 90-minute meeting, [redacted] 25X1A
said he was perfectly willing to give the system a try and felt that it was a reasonable approach to the problem.
